INFORMATION CIRCULAR
as at June 9, 2021 *(except as otherwise indicated)*

This Information Circular is furnished in connection with the solicitation of proxies by the management of Sharc International Systems Inc. (the “Company”) for use at the annual general meeting (the “Meeting”) of its shareholders to be held on Tuesday, July 20, 2021 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to the “Company”, “we” and “our” refer to Sharc International Systems Inc. “Common Shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

Each of the individuals named in the accompanying form of proxy (the “Proxy”) is a director and/or officer of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders may choose one of the following options to submit their proxy:

- (a) complete, date and sign the Proxy and return it to the Company's transfer agent, Computershare Trust Company of Canada ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia Canada V6C 3B9;
- (b) use a touch-tone phone to transmit voting choices to a toll free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder's account number and the control number; or
- (c) use the internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the control number.

In all cases the Registered Shareholder must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an "intermediary"). In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of National Instrument 54-101 "Communication with Beneficial Owners of Securities of a Reporting Issuer" that permit it to directly deliver proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form ("**VIF**") from our transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please

return your voting instructions as specified in your request for voting instructions.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder’s representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted at the Meeting or to have an alternate representative duly appointed to attend the Meeting and to vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada, and the applicable Canadian securities laws. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements under applicable Canadian securities laws. Shareholders in the United States should be aware that disclosure requirements under Canadian securities laws differ from the disclosure requirements under United States securities laws.

This document does not address any income tax consequences of the disposition of the Company’s shares by shareholders. Shareholders in a jurisdiction outside of Canada should be aware that the disposition of shares by them may have tax consequences both in those jurisdictions and in Canada, and are urged to consult their tax advisors with respect to their particular circumstances and the tax considerations applicable to them.

Any information concerning any properties and operations of the Company has been prepared in accordance with the disclosure requirements under the applicable Canadian securities laws, and may not be comparable to similar information for United States companies.

Financial statements included or incorporated by reference herein have been prepared in accordance with International Financial Reporting Standards, as issued by the International Accounting Standards Board, and are subject to auditing and auditor independence standards in Canada, which differ in some respects from United States generally accepted accounting principles, and thus may not be comparable to financial statements of United States companies.

The enforcement by shareholders of civil liabilities under the United States federal securities laws may be affected adversely by the fact that the Company is incorporated or organized under the *Business Corporations Act* (British Columbia), as amended, that some or all of its directors and its officers are residents of a foreign country and a substantial portion of the Company’s assets and the assets of such persons are located outside of the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder’s authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare or at the address of the registered office of the Company at 1500 Royal Centre, 1055 West Georgia Street, P.O. Box 11117, Vancouver, British Columbia, V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business

day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or

- (b) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

FINANCIAL STATEMENTS

These documents are also available on the SEDAR website at www.sedar.com under the Company's profile. Additional information relating to these documents may be obtained by a shareholder upon request without charge from the Corporate Secretary of the Company at 1443 Spitfire Place, Port Coquitlam, British Columbia Canada V3C 6L4, telephone number 604-475-7710.

Advance Notice Provision

At the Company's annual general and special meeting held on November 25, 2013, the Company's shareholders approved the alteration of the Company's articles for the purpose of adopting advance notice provisions (the "**Advance Notice Provision**"). The Advance Notice Provision provides for advance notice to the Company in circumstances where nominations of persons for election to the Board of directors of the Company are made by shareholders of the Company other than pursuant to (i) a requisition of a meeting made pursuant to the provisions of the *Business Corporations Act* (British Columbia) or (ii) a shareholder proposal made pursuant to the provisions of the *Business Corporations Act* (British Columbia).

The purpose of the Advance Notice Provision is to foster a variety of interests of the shareholders and the Company by ensuring that all shareholders - including those participating in a meeting by proxy rather than in person - receive adequate notice of the nominations to be considered at a meeting and can thereby exercise their voting rights in an informed manner. Among other things, the Advance Notice Provision fixes a deadline by which holders of Common Shares must submit director

nominations to the Company prior to any annual or special meeting of shareholders and sets forth the minimum information that a shareholder must include in the notice to the Company for the notice to be in proper written form.

The Advance Notice Provision also requires all proposed director nominees to deliver a written representation and agreement that such candidate for nomination, if elected as a director of the Company, will comply with all applicable corporate governance, conflict of interest, confidentiality, share ownership, majority voting and insider trading policies and other policies and guidelines of the Company applicable to directors and in effect during such person's term in office as a director.

The foregoing is merely a summary of the Advance Notice Provision, is not comprehensive and is qualified by the full text of such provision in the Company's Altered Articles, which is available under the Company's profile on SEDAR at www.sedar.com.

The Company did not receive notice of a nomination in compliance with the Advance Notice Provision, and as such, any nominations other than nominations by or at the direction of the Board or an authorized officer of the Company will be disregarded at the Meeting.

Unless otherwise directed, the persons named in the enclosed form of proxy intend to vote FOR the election of the Nominees.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT EACH SHAREHOLDER VOTE "FOR" THE ELECTION OF THE ABOVE NOMINEES AS DIRECTORS.

Exemption

The Company is a “venture issuer” under NI 52-110 and pursuant to NI 52-110, section 6.1, the Company is exempt from the requirements of Parts 3 (*Composition of the Audit Committee*) and 5 (*Reporting Obligations*) of NI 52-110.

CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders of the Company. Corporate governance also takes into account the role of the individual members of management appointed by the Board who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of a company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board facilitates its independent supervision over management of the Company through meetings of the Board and by ensuring that at least one director is independent of management. The Board is currently comprised of six members, five of whom are independent and one who is non-independent. The independent members of the Board are Sasko Despotovski, Daryle Anderson, Michael Harcourt, Eleanor Chiu and Alan G. Saurette. The non-independent director is Lynn Mueller (Chairman and Chief Executive Officer of the Company).

Directorships

The following directors are currently serving on boards of the following other reporting companies (or equivalent) as set out below:

Name of Director	Reporting Issuer and Name of Trading Markets
Michael Harcourt	True Leaf Brands Inc. - CSE
Sasko Despotovski	Delic Holdings Inc. (formerly Molystar Resources Inc.) - CSE

Orientation and Continuing Education

When new directors are appointed, they receive an orientation, commensurate with their previous experience, on the Company’s properties, business, technology and industry and on the responsibilities of directors.

Board meetings may also include presentations by the Company’s management and employees to give the directors additional insight into the Company’s business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board’s duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board as a whole has the responsibility of determining the compensation for the directors and the Chief Executive Officer.

To determine compensation payable, the Board reviews compensation paid to directors and chief executive officers of other companies of similar size and stage of development in similar industries and then determine appropriate compensation reflecting the responsibilities and time and effort expended by each director and the Chief Executive Officer while taking into account the financial and other resources of the Company. In settling on the compensation, the Board annually reviews the performance of the Chief Executive Officer in light of the Company’s objectives and considers other factors that may have influenced achievement of the Company’s objectives.

Other Board Committees

The Board has no committees other than the Audit Committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and Audit Committee. No formal policy has been established to monitor the effectiveness of each director, the Board and the Audit Committee.

10% Rolling Stock Option Plan (Option-Based Awards)

The purpose of the Stock Option Plan is to provide the Company with a share related mechanism to enable the Company to attract, retain and motivate qualified directors, officers, employees and other service providers, to reward directors, officers, employees and other service providers for their contribution toward the long term goals of the Company and to enable and encourage such individuals to acquire shares of the Company as long term investments.

The following information is intended to be a brief description of the materials terms of the Stock Option Plan and is qualified in its entirety by the full text of the Stock Option Plan:

- (a) The Stock Option Plan provides that up to 10% of the issued and outstanding common shares from time to time may be reserved for issue, less any common shares reserved for issuance under any other share compensation arrangement. The options are non-assignable and may be granted for a term not exceeding ten years.
- (b) The exercise price shall not be lower than the greater of the closing market price of the common shares on (a) the trading day prior to the date of grant of the stock options; and (b) the date of grant of the stock options.
- (c) The terms of an option may not be amended once issued. If an option is cancelled prior to its expiry date, the Company shall not grant new options to the same person until 30 days have elapsed from the date of cancellation.
- (d) All Options are exercisable only by the Optionee to whom they are granted and are not assignable or transferable.
- (e) The Board has the authority to:
 - (i) oversee the administration of the Plan in accordance with its terms;
 - (ii) appoint or replace the Administrator from time to time;
 - (iii) determine all questions arising in connection with the administration, interpretation and application of the Plan, including all questions relating to the Market Value;
 - (iv) correct any defect, supply any information or reconcile any inconsistency in the Plan in such manner and to such extent as shall be deemed necessary or advisable to carry out the purposes of the Plan;
 - (v) prescribe, amend, and rescind rules and regulations relating to the administration of the Plan;
 - (vi) determine the duration and purposes of leaves of absence from employment or engagement by the Company which may be granted to Option Holders without constituting a termination of employment or engagement for purposes of the Plan;
 - (vii) do the following with respect to the granting of Options:
 - (1) determine the Executives, Employees or Consultants to whom Options shall be granted, based on the eligibility criteria set out in this Plan;
 - (2) determine the terms of the Option to be granted to an Option Holder including, without limitation, the Grant Date, Expiry Date, Exercise Price and vesting schedule (which need not be identical with the terms of any other Option);
 - (3) subject to any necessary Regulatory Approvals, amend the terms of any Options;

- (4) determine when Options shall be granted; and
 - (5) determine the number of Shares subject to each Option;
 - (viii) accelerate the vesting schedule of any Option previously granted; and
 - (ix) make all other determinations necessary or advisable, in its sole discretion, for the administration of the Plan.
- (f) Subject to any required Regulatory Approvals, the Company may from time to time amend any existing Option or the Plan or the terms and conditions of any Option thereafter to be granted provided that where such amendment relates to an existing Option and it would:
- (i) materially decrease the rights or benefits accruing to an Option Holder; or
 - (ii) materially increase the obligations of an Option Holder; then, unless otherwise excepted out by a provision of this Plan, the Company must also obtain the written consent of the Option Holder in question to such amendment. If at the time the Exercise Price of an Option is reduced the Option Holder is an Insider of the Company, the Insider must not exercise the option at the reduced Exercise Price until the reduction in Exercise Price has been approved by the disinterested shareholders of the Company, if required by the Exchange.
- (g) The Stock Option Plan also contains a “black-out” provision. Should the Expiry Date for an Option fall within a Blackout Period, within or immediately after a Black Out, the Holder may elect for the term of such Option to be extended to the date which is ten (10) business days after the last day of the Black Out; provided, that, the expiration date as extended will not in any event be beyond the later of: (i) December 31 of the calendar year in which the Option was otherwise due to expire; and (ii) the 15th day of the third month following the month in which the Option was otherwise due to expire.
- (h) Any Option granted pursuant to a stock option plan previously adopted by the Board which was outstanding at the time the Plan came into effect is deemed to have been issued under this Share Option Plan and shall, as of the date this Share Option Plan came into effect, be governed by its terms and conditions.

A copy of the Stock Option Plan can be located on the Company’s SEDAR profile at www.sedar.com.

10% “rolling” Restricted Share Unit Plan (Share-Based Awards)

The RSU Plan provides that the maximum number of Common Shares made available for issuance pursuant to the RSU Plan shall be determined from time to time by the Board, but in any case, shall not exceed 10% of the Common Shares issued and outstanding from time to time, less any Common Shares reserved for issuance under all other share compensation arrangements, subject to adjustments as provided in the RSU Plan. The RSU Plan is a “rolling plan” and therefore when RSUs are cancelled (whether or not upon payment with respect to vested RSUs) or terminated, Common Shares shall automatically be available for issuance pursuant to the RSU Plan.

Nature and Administration of the RSU Plan

All Directors, Officers, Consultants and Employees (as defined in the RSU Plan) of the Company and its related entities (“**Eligible Persons**”) are eligible to participate in the RSU Plan (as “**Participants**”), and the Company reserves the right to restrict eligibility or otherwise limit the number of persons eligible for participation as Participants in the RSU Plan. Eligibility to participate as a Participant in the RSU Plan does not confer upon any person a right to receive an award of RSUs.

Subject to certain restrictions, the Board or its appointed committee (the “**Board**”) can, from time to time, award RSUs to Eligible Persons. RSUs will be credited to an account (an “**Account**”) maintained for each Participant on the books of the Company as of the award date. The number of RSUs to be credited to each Participant’s account shall be determined at the discretion of the Board and pursuant to the terms of the RSU Plan.

RSUs and all other rights, benefits or interests in the RSU Plan are not transferable or assignable otherwise than by will or the laws of descent and distribution, and shall be exercisable during the lifetime of the Participant only by the Participant and after death only by the Participant’s legal representative.

Credit for Dividends

A Participant's Account will be credited with additional RSUs (the “**Dividend RSUs**”) as of each dividend payment date in respect of which cash dividends are paid on Common Shares. The number of Dividend RSUs credited to a Participant’s Account in connection with the payment of dividends on Common Shares will be based on the actual amount of cash dividends that would have been paid to such Participant had he or she been holding such number of Common Shares equal

to the number of RSUs credited to the Participant's Account on the date on which cash dividends are paid on the Common Shares and the market price of the Common Shares on the payment date. Note that the Company is not obligated to pay dividends on Common Shares.

Resignation, Termination, Leave of Absence or Death

Generally, if a Participant's employment or service is terminated, or if the Participant resigns from employment with the Company, then all RSUs held by the Participant (whether vested or unvested) shall terminate automatically upon the termination of the Participant's service or employment.

In the event a Participant is terminated by reason of termination by the Company other than for cause or the Participant's death, the Participant's unvested RSUs shall vest automatically as of such date. In the event the termination of the Participant's services by reason of voluntary resignation, only the Participant's unvested RSUs shall terminate automatically as of such date.

Change of Control

In the event of a Change of Control, the Board may, in its discretion, without the necessity or requirement for the agreement or consent of any Participant: (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any RSU; (ii) permit the conditional settlement of any RSU, on such terms as it sees fit; (iii) otherwise amend or modify the terms of the RSU, including for greater certainty permitting Participants to settle any RSU, to assist the Participants to tender the underlying Common Shares to, or participate in, the actual or potential Change of Control Event (as defined in the RSU Plan) or to obtain the advantage of holding the underlying Common Shares during such Change of Control Event; and (iv) terminate, following the successful completion of such Change of Control Event, on such terms as it sees fit, the RSUs not settled prior to the successful completion of such Change of Control Event, including, without limitation, for no payment or other compensation. The determination of the Board in respect of any such Change of Control Event shall for the purposes of this RSU Plan be final, conclusive and binding.

Adjustments

In the event there is a change in the outstanding Common Shares by reason of any stock dividend or split, recapitalization, amalgamation, consolidation, combination or exchange of shares, or other corporate change, the Board shall make, subject to the prior approval of the Canadian Securities Exchange where necessary, appropriate substitution or adjustment in (i) the number or kind of Common Shares or other securities reserved for issuance pursuant to the RSU Plan, and (ii) the number and kind of Common Shares or other securities subject to unsettled and outstanding RSUs granted pursuant to the RSU Plan.

Vesting

Each award of RSUs vests on the date(s) (the "**Vesting Date**") specified by the Board on the award date, and reflected in the applicable RSU agreement certificate.

Limitations under the RSU Plan

The maximum number of Common Shares made available for issuance pursuant to the RSU Plan shall be determined from time to time by the Board, but in any case, shall not exceed 10% of the Common Shares issued and outstanding from time to time, less any Common Shares reserved for issuance under all other share compensation arrangements, subject to adjustments as provided in the RSU Plan.

A copy of the RSU Plan can be located on the Company's SEDAR profile at www.sedar.com.

Oversight and Description of Director and NEO Compensation

The Board as a whole assumes responsibility for reviewing and monitoring compensation for the Company's senior management and directors, and as part of that mandate determines the compensation of the Company's CEO and CFO.

The Company has limited financial resources to ensure that funds are available to complete its business objectives. As a result, the Board must consider not only the financial situation of the Company at the time of the determination of executive compensation, but also the estimated financial situation of the Company both in the mid-term and the long-term. Because stock options do not require cash disbursement by the Company, they are an important element of executive compensation. Additional information about the Company and its operations is available in the Company's consolidated financial statements and related management's discussion & analysis for the financial year ended December 31, 2020 which have been filed with regulators and are available for review under the Company's profile at www.sedar.com.

The Board has assessed the Company's compensation plans and programs for its executive officers to ensure alignment with the Company's business plan and to evaluate the potential risks associated with those plans and programs. The Board has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Company. The Board considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors has purchased such financial instruments.

Philosophy and Objectives

Compensation for senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, which are:

- to attract and retain qualified and effective executives;
- to motivate the short and long-term performance of these executives; and
- to align their interests with those of the Company's shareholders.

In compensating its senior management, the Company has employed a combination of base salary and equity participation through its stock option plan.

Equity Participation

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is accomplished through the Company's stock option plan. Stock options are granted to senior executives and employees taking into account a number of factors, including the amount and term of options previously granted, base salary and bonuses and competitive factors. Options, which vest immediately, are generally granted to senior executives and Board members.

Compensation of Board Members and Named Executive Officers

Compensation for each of the Board members and each of the NEOs is approved by the Board as a whole. Base cash compensation and variable cash compensation levels are based, in part, on market survey data provided to the Board by independent consultants.

Compensation Review Process

Base Salary or Consulting Fees

In the Board's view, paying base salaries which are competitive in the markets in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. Competitive salary information on companies earning comparable revenues in a similar industry has been reviewed and compared over a variety of sources.

During the year ended December 31, 2020, the Company entered into the following transactions with related parties.
